

Vote Tripling Toolkit for Volunteers

1. Watch vote tripling [training video](#). You MUST watch this video before you begin.
2. Remember, this is a **NON-PARTISAN activity**. You will not mention specific candidates, you will not wear any candidate or party apparel or buttons.
3. Do you have a clipboard? Print out [this page](#) to tape to the back of your clipboard. (not required)
4. You will be given stickers, and a mask, and a [tally sheet](#) (or be told where a pickup place is or be given supplies by person on previous shift--thanks for being flexible).
5. Remember, no mask, no ask! Be safe!
6. Sign this [waiver](#).
7. Have a copy of this [Georgia code](#) to share with election officials: Remember, **REMINDING** people to vote is NOT electioneering. It is NOT soliciting. It is non-partisan. It is American and the basis of a democracy.
8. Make sure you have PPE [mask, face shield (optional) and hand sanitizer].
9. Start tripling!
10. After you've completed your shift, input your compilation at dekalbdems.com/votetripling
