**VI. New Business**

A. Question proposed to the body by concern brought by State Rep. Doreen Carter.

If a legislator writes a local bill (s) (example, HB 272) which only deals with the area they represent, should it be formally read to the delegation? Rep Carter cited page 4 of the Rules Agenda item. For example, this bill was not discussed and read within the delegation meeting prior to being read on the floor.

It was decided by the DeKalb delegation body that no motion was needed. This was not a matter of the rules but a procedural matter of courtesy.

B. Senator Jones stopped by and introduced President of the Technical College in Dekalb; Dr. Tavares Holston
